

## Student Council Elections!

Building awareness on democratic processes and teaching students about electioneering processes, NAFL conducted the Student Council Elections for 2017-2018 for Grades 6 to 12 with a difference.

**Day one:** Nominations for the posts of School Sports Captain (Boys and Girls) as well as for the three Houses—Kamal, Nihal, Vishal—were invited from the students of grades X, XI and XII. The teachers nominated their choices too and the name lists were tallied.

**Day two:** Campaigning was held for one, day, with eye-catching posters and slogans decorating the bulletin boards!

**Day three:** The nominees then took to the podium, delivering stirring speeches that roused, laughter, courage and vision.

**Day four:** Keeping with the School Development Plan for the year 2017-2018, it was a green vote that followed. No paper was used. For the first time, a software developed by Abhinav Sharaff that works on android devices, was used to conduct the elections!

The teachers of NAFL also cast their votes before the results were announced to an excited student assembly!

Here are the proud winners of the NAFL Student Council Elections for 2017-2018!
