UNDERTAKING

Registration of application does not ensure an admission. Admission is granted subject to vacancy only. An entrance test is conducted before granting admission. If an intimation is not received within 3 weeks from the date of writing the entrance test, it should be presumed that there is no vacancy during the current year and no separate intimation will be sent to the candidates not selected. An annual fee increase of 10 to 15 percent is effective to offset the escalation of expenditure by way of salary, materials and maintenance etc.
