Dear Parents,

It's wonderful to be back in school and we really look forward to an enjoyable year ahead! Our school theme for the year is **TOGETHER, STRONGER!** We know this will have special significance after two years of being apart!

A warm welcome goes out to our new batch of little ones in Kindergarten 1 and to all our K2 bright sparks. Our warmest hugs and smiles to all!

We are going to have fun and we are going to do it **TOGETHER!**

Warm regards

Principal and Team Kindergarten
