

Grade 5 Newsletter 2019-2020

Term II [November – January]

HELLO PARENTS!

“If you want to have happiness for a lifetime, help the next generation.”-

Chinese Proverb

Welcome Parents! To another term of co-operation, team building and progress. Our aim at N.A.F.L. coincides with the central idea of the proverb. The faculty engages in educational strategies with an intent to bring out the best in oneself, to drive and nurture the change in the students that we care for.
